

Notice to Implement a Communicable Disease Control  
Officer's Order Form

Pursuant to the Notification of the Ministry of Public Health Concerning the Rules, Procedures  
and Conditions in Implementing or Issuing an Order by a Communicable Disease Control  
Officer B.E. 2560 (2017)

Issued at .....

On the ..... day of ....., B.E. ....

Whereas Order No. ...., issued by (Mr., Mrs., Ms.) ....., a  
Communicable Disease Control Officer of the ..... unit/agency  
on ..... day ..... month ..... year, compelled .....,  
the person concerned by the Order, to .....

.....  
.....

within ..... day ..... month ..... year ..... (a.m./p.m)  
until ..... day ..... month ..... year ..... (a.m./p.m) and

it has become apparent or it can be reasonably believed that the person concerned has violated or  
refused to comply with the Order referred to above, the Communicable Disease Control Officer  
issues this Notice as a reminder to the person concerned to comply with the Order referred to  
above within .....

Failure to take any action will cause a Communicable Disease Control Officer to directly  
take the following actions: .....

.....  
.....

Nevertheless, a Communicable Disease Control Officer shall have the authority to change  
the method of implementing the procedures to prevent or control the disease above stated when it  
becomes apparent that the method specified above proves ineffective.

Signed .....

(.....)

Communicable Disease Control Officer

**Note:** Where a Communicable Disease Control Officer feels that any part of the notice above  
exceed the purpose in issuing the notice, the Officer may cross off any word or sentence and  
include his signature beside where the changes made.
